Mr. C. F. Redwood
Leon, Nicaragua, C.A.

Dear Sir:

Replying to your favour of July 12th, we can tell you nothing about your coins without a batter description. Can you not send us pencil rubbings of them? I should judge, however, that you pieces are old Spanish coins of 1731, 1720 and 1810, as they were in the habit of leaving off one of the figures.

Very truly yours,

Curator
